

# Modernising Australian co-operatives regulation

## 15 recommendations

**BCCM**

9  
Improved co-ordination among co-op regulators to deliver consistent regulation

10  
Unify public registers

11  
Annual data reports from co-op regulators

12  
Remove errors in the legislation for offers of securities

13  
Provide guidance on the offer of securities

14  
Director Identification Numbers for co-op directors

15  
Permanent legacy asset protection option in legislation
