

The Bunya Fund application form – Round 5

Process and criteria

Please read [The Bunya Fund criteria](#) and make sure you meet the requirements before starting an application.

Please note: Previously funded projects will be considered if special circumstances warranting this can be established in this application.

Your application will be assessed against the following criteria:

1. Co-operative or mutual structure and governance:

- Proof of co-operative or mutual structure (or assurance that business is/will convert to co-operative or mutual structure)
- Fit and proper operation and governance. The potential or existing enterprise practices the co-operative values and principles including openness, care for community, co-operation with other co-operatives or mutuals and no detrimental activity in these areas

2. Business case:

- Have at least a basic Annual Report outlining achievements and organisational profile (or equivalent formal documentation)
- Have financial statements including profit and loss and balance sheet (audited if required by law) that have been prepared and accepted by members at an Annual General Meeting (or if enterprise is prospective equivalent formal documentation)
- Provide at least basic business planning documentation
- Provide verified member and/or community endorsement statements to support application.

3. Mutual Impact:

- Evidence of contribution to the social, economic, cultural and/or environmental wellbeing of the community where the enterprise is based or intends to be based

The applicant should ideally have been operating formally or informally for three or more years and be planning for increased member and/or community investment in the future. In addition, the decision-making process will consider level of innovation, likelihood of receiving funds from other sources and overall balance of supported projects across various co-operative and mutual types and industries.

Please note: if you are not a currently registered co-operative or mutual but plan to convert to a co-operative or mutual structure, you should still apply for funding and simply use documentation relating to your existing group or enterprise (such as existing business registrations and planning documents).

If you are confident you can demonstrate that you meet the criteria, please complete The Bunya Fund application form below.

The Bunya Fund will not accept proposals for support that include activity relating to:

- Unlawful discrimination
- Partisan political or proselyting religious activities
- Damage or harm to the environment
- General donations
- Fundraising appeals or sponsorships
- Benefitting an individual.

Furthermore, wellbeing specific projects seeking support should take extra care to ensure that their application not include any activity relating to:

- Gambling, weaponry or military pursuits
- Alcohol, drug or tobacco use.
